Sauce For You

The Product

Following the unfortunate circumstances of the COVID-19 outbreak in 2020 leaving a lasting disabling effect on peoples tastebuds, we saw the opportunity to bring back joy and fun into the kitchen.

The product is only driven and limited by your imagination. Our food science technicians combined the power of the human psyche with the human sense of taste and formulated a million in one product to bring endless amounts of fun to any kitchen, cook or food enthusiast.
